Dear Kathy,

The Columbus Foundation offers almost 300 scholarships, through which we award nearly \$3 million annually! I would like to call your attention to four scholarships specifically for nursing students. All four of these scholarships are on one single application along with more than 90 other opportunities!

- **W.A. and Margaret E. Buehler Scholarship**
 - Candidates must be graduates of a Franklin County high school, pursuing a degree in nursing at a central Ohio college or university, and have a minimum 2.75 grade point average in their current program.
- **Carol Jenkins Nursing Scholarship**
 - Candidates must already have a valid, unencumbered RN nursing license in Ohio and be accepted in an Ohio Board of Nursing-approved program in their first or second year.
- **Marr/Griesbeck Scholarship**
 - Candidates must be working toward a BS or AD in nursing at a Franklin County, Ohio school; have a minimum of two years of full- or part-time work experience in a hospital or skilled-nursing facility; plan to work as a direct-care RN; and be a minimum of 23 years of age.
- **Jane Tschappat Nursing Advancement Scholarship**
 - Candidates must already have a valid, unencumbered RN nursing license in Ohio, and be pursuing an Advanced Practice Registered Nurse (APRN) qualification at an Ohio Board of Nursing-approved program.

Will you please share these opportunities as broadly as possible by sharing this website, <https://tcf-apply2.smapply.io/>, with any eligible candidates? More information about these and our many other scholarships can be found at www.columbusfoundation.org/scholarships.

Sincerely,
